

# 1940 EAGLE ROCK TRADITIONAL WITH MODERN STYLE

Sold. \$ 588,000.00

Updated 2 bedroom, 1 bath 1940 traditional home with modern style.

This 1940 traditional has been updated and transformed into a Dwell Magazine look-a-like. Wood floors throughout, updated kitchen, central air and heat, an expanded living room with views of the peaceful easy-care garden that is the backyard, all contribute to a stunning home for the modern aficionado. For the sentimental, the bathroom retains the original tile floor, sink, tub and separate shower. There is a detached full two-car garage with a finished interior to do anything from keeping your cars to hanging out in your person-cave. For a floor plan, [click here](#).
