

10487 Blix #1, San Fernando Valley, 91602, North Hollywood

Just Sold! We helped our clients purchase this ideal condo in the happening North Hollywood neighborhood. Just sold! Our clients - a mother helping her daughter purchase her first home - were very excited to find a condo in the Valley or Northeast LA neighborhoods. They wanted something in a fun neighborhood with things to do in walking distance, and a floor plan that could allow for a roommate situation. Chris, our buyer's agent, got to work and helped them find this great condo with 2 bedrooms, 2 baths in a fun neighborhood! Competing against multiple offers, he expertly guided them in negotiating a winning offer. Congratulations to the new homeowners!
