

# HIGHLAND PARK MIDCENTURY TRADITIONAL HOME FOR RENT!

Sold. \$ 3,750.00 /Per month

## 1408 Highgate Avenue, Highland Park, 90042, Highland Park

Leased! Midcentury traditional home for rent in the peaceful hills of Highland Park.

Leased! Live in a private, almost suburban setting with practically no traffic, yet be fairly close to all the fun and excitement on York Blvd. This is a traditional forties home with newer systems like central HVAC (great for LA summers--and welcome on these chilly mornings as well!), a true master with its own bathroom, hardwood floors, and an open living/dining/kitchen. The finished garage offers a chance to have a home office, play room, studio, or park your cars in it! The backyard is fenced, has places for play, hanging out, dining alfresco with your own barbecue or just the spot for dreaming over your morning coffee.
